Details obtained from Owner about the **Site / plot number (As per local bodies map)** are already provided to you via trailing mail. Pls. see how best you can utilize them.

- Site Address : **INDIAN OIL CORPORATION LIMITED**
Paradip Refinery, PX PTA Project,
P.O. JHIMANI DISTRICT, JAGATSINGHPUR,
ODISHA, INDIA PIN NO.754 141

- Owner/ Lessee of the Plot / Site : Data awaited from Owner (pls . confirm if Aadhar card is also needed)

We have one request (which is originated from Owner) to get officially issued survey report along with attachments (issued previously some for other project) wherein all these details are provided. This will be used only for reference and for better understanding of the process being followed.
