Terms & Conditions

I. Scope of work:

1. Above amount is inclusive of transportation, lodging and boarding during the survey.
2. Survey work to be carried out by Differential GPS and Total Station to match the prevailing specification & accuracy required by Airport Authority of India. The coordinates are to be WGS-84 coordinates with accuracy requirement of 1/10th of a second in the DD MM SS.ss format with position accuracy within 3 meters.
3. The elevation of the surveyed coordinates should be in AMSL or EGM08 model as per the AAI requirement for the concerned airports. Accuracy requirement for the site elevation should be 0.5 meters.
4. Any change in AAI requirement related with the accuracy, specification and format of the Site Elevation & Site Coordinate certificate during the NOC assessment process, shall be incorporated in the survey work without any rate revision and revised Site Elevation & Site Coordinate certificate should be issued.
5. List of 9 locations to be surveyed at Hatalageri site will be shared to your Surveyor at Site

II. Payment Terms :

1. 50% as advance against acceptance of work order.
2. 50% against submission of final drafts of Site Elevation & Site Coordinate certificate further to which the scanned copies & hard copies will be mailed & posted within 2days.

III. Time line

1. The above survey work should start within 5 days on receipt of the advance. If failed to complete the survey work in 15 days, 15% LD will be applicable on the basic amount of the work order.
2. Submission of Site Elevation & Site Coordinate certificate within 7 days after completion of survey at site.

IV. One representative of Vivid-RPL will attend the survey.

V. The Site Elevation & Site Coordinate certificate is to be issued in the name of :

? Iris Renewables Two Private Limited ?

This work order shall remain in force and effective till the Parties have completed their respective duties and obligations under this work order, unless earlier terminated as per the provisions contained in this work order.
