Subject: Empanelment of survey firm for conducting Aeronautical survey of Civil Airports under operational control of Airports of India (AAI)

Ref.: Tender ID 2021_AAI_85177_1 for empanelment of Survey firm

Sir,

This is in reference to your application for Empanelment of survey firms for conducting Aeronautical Survey of Civil Airports under operational control of Airport Authority of India (AAI) The Competent authority is pleased to empanel M/s RAJ TECHNOLOGIES with validity up to 09.12.2023 under following terms and conditions: -

- 1) AAI reserves the right to depanel the firm without assigning any reason.
- 2) The empanelment is based on details submitted by the applicant/firm. AAI reserves the right to review and take a decision regarding cancellation of empanelment in part or as a whole, if anything adverse is found subsequently or during the period of conducting survey work.
- 3) The empanelment is not to be construed as a commitment on the part of AAI to provide assignments/consultancy jobs. The survey work shall be awarded by call of tenders from empaneled agencies or as per standard/ approved/ prevailing practices of AAI.
- 4) The empanelment is subject to satisfactory performance by the agency. The agency shall be fully responsible for accuracy, confidentiality of the data and the services provided.

With Regards,

Manminder Singh

Dated: 24th July 2019

AAI GIS CIRCULAR 2 OF 2019

Subject: Authorization to AAI Empanelled Survey Firms for issuance of Site Coordinates & Site Elevation Certificate for issuance of NOC for height clearance by AAI

Airports Authority of India, after following the due process, has empanelled 7 Survey Firms for conducting the Aeronautical Survey of the airports managed by AAI. The list of Empanelled Survey Firms was circulated vide GIS Circular 01/2019 dated 12.06.2019 (copy enclosed as Annexure-I).

The AAI Empanelled Survey Firms listed in the AAI GIS Circular 01/2019 are hereby authorised to issue the Site Coordinates & Site Elevation Certificate, as per AAI, Department of Aerodrome Safeguarding Format available on NOCAS website > Link: [http://nocas2.aai.aero/nocas/AAI Links/Format of Site Elevation and Coordinates Certificate.pdf](http://nocas2.aai.aero/nocas/AAI%20Links/Format%20of%20Site%20Elevation%20and%20Coordinates%20Certificate.pdf), to the applicants who wish to apply to AAI for NOC for height clearance as per the provisions of GSR-751(E) or any other Notification issued by Ministry of Civil Aviation, Govt. of India for the purpose, as per the following terms & conditions:

1. The AAI Empanelled Survey Firms shall not charge more than the rates quoted in the Table give below:

Plot Size	Max. Cost excluding GST
500 sq. m or less	Rs.10,000/- (up to 4 coordinates with elevation) Rs. 2,000/- for each additional points
501 sq. m to 4000 sq. m	Rs.15,000/- (up to 6 coordinates with elevation) Rs. 3,000/- for each additional points
4001 sq. m to 10000 sq. m	Rs.25,000/- (up to 8 coordinates with elevation) Rs. 4,000/- for each additional points
Above 10000 sq. m	Rs.50,000/- (up to 10 coordinates with elevation) Rs. 5,000/- for each additional points
Travel Cost	Travel cost may be added by the Survey Agency if they are not located in the city based on number of surveyors required.

2. The Empanelled Survey Firms shall fulfil the following conditions:
 - a) The actual survey of the site has to be carried out by the trained Surveyor-cum-GIS Analyst by using the survey grade equipment such as Electronic Total Station and Differential GPS as per GIS Circular 01 of 2018.

- b) The site survey and issuance of coordinates certificate should be completed at the earliest but not later than 30 days from the request made by the applicant. A copy of the survey & coordinates certificate shall also be sent to the concerned Airport Director.
 - c) A list of the sites for which survey certificates have been provided in a month, along with the amount charged, shall be submitted to the concerned Airport Director and to the General Manager (DoAS), AAI CHQ, New Delhi by 10th day of next month.
 - d) The authorised Survey Firm and the Airport Operator shall suitably publish the AAI mandated fee structure, both on online and offline.
3. Authorization, as indicated in AAI GIS Circular 01 of 2019, is subject to the compliance of the conditions by the Empanelled Survey Firms and may be cancelled in case of non-compliance/default.
 4. Airport Operators of the licensed airports may also provide the site coordinates/elevation certificate for the NOC applicants as per the above fee structure.
 5. This Circular will be effective from 1st August 2019.
